Beginning Wednesday 9/22/10, a segment of Morren Drive between 12th Avenue NE and Crest Place will be partially closed for the installation of 6 speed tables. The construction is part of the City's Traffic Calming Program using funds from the FYE 2010 budget year, and requested by residents. Local access will be maintained at all times by the contractor. Rudy Construction Company will be performing the work which should take 5 to 7 days, weather permitting.
